Creating a 'Professional Appointment' using JUST Connect

As a private professional (for example a private lawyer or medical practitioner), you can use JUST Connect to make AVL appointments with a person in-custody. To make or manage an appointment yourself using JUST Connect you will need to be a registered user of the JUST Connect system.

If you are not yet registered, you can request access by providing your name, VIN and/or CIMS, individual email (not a common office email) and phone number (preferably a mobile number) to the JUST Connect team at: justconnect@justice.nsw.gov.au.

Once registered, JUST Connect will send you a welcome email, requesting logon within 24 hours. Clicking logon from the welcome email will take you to JUST Connect and will prompt you to set a unique password on first login.

Professional appointments in JUST Connect may include the following (depending on your user profile):

- Correctional Meetings (legal practitioners only)
- Correctional Assessments
- Peer to Peer (option to book the AVL room however it doesn't require an inmate, and may or may not use the AVL equipment. Examples include meetings, training or interviews)

Appointment status

- Appointments requested earlier than one business day in advance will be automatically accepted by JUST Connect.
- Appointments for next business day requested before 3pm will be automatically scheduled by JUST Connect.
- Appointments for next business day requested after 3pm, or appointments requested for the same business day, are considered last minute requests and will NOT be automatically scheduled. These requests will be in 'Pending' status and require a Correctional Services Officer or Juvenile Justice Officer to review and then Accept or Decline the appointment
